SUCCESS STORIES

We always enjoy receiving photos and updates about our adopted dogs. We also maintain an area on our website to post Success Stories about the wonderful forever homes found for our rescue dogs. Please take a few moments and send us a short update on how you and your new family member are doing, together with a few jpeg formatted digital photos. If there are people in the picture we will need to send you a Photo Release Form to sign before we can put the photos online. We will make every effort to post your story – but please be patient as we may be out rescuing other dogs and not able to update the Success Stories as quickly as we would like.

Please send your updates, stories and photos to contactus@bostonbuddies.org.
